WHAT YOU NEED TO DO—WOMEN'S COSTUMES

*****LONG HAIR*** is to be UP IN A BUN and out of your face, with no fly-aways. Then, your headpiece gets bobby-pinned in place. Consider the placement of your headpiece when choosing how high/low to place your bun. The wardrobe staff will be on-hand to help you with your headpiece, and please help one another. SPRAY, GEL, and BOBBY PINS are your friends and should be brought with you.

PLEASE DO YOUR HAIR AND MAKEUP AT HOME before coming to school.

**MAKEUP should be NATURAL, nothing sparkly, overdone, or "modern." MINIMAL. AGAIN, NO SPARKLES. Also, no NAIL POLISH.

**JEWELRY should also be minimal (stud earrings only, no modern symbolism, etc.) Nose jewelry, etc. needs to be covered by makeup or something similar.

**SHOES: black character shoes, dance shoes, or even slippers will all work fine.

WHAT YOU NEED TO DO—MEN'S COSTUMES

****HAIR** is to be OFF the forehead and away from the eyes. A small amount of hair showing in the front (right under your hat) is ok, but as much should be tucked under the hat as possible.

****SHOES** must be BLACK dress shoes, character shoes, or even plain black slippers. If you don't have these by Thursday that's fine, we won't be seeing feet in the photos.
