GENERAL EXPECTATIONS & PROCEDURES

PURPOSE

The LWC Pep Band exists primarily to support the LWC Basketball program throughout the season. This ensemble also provides the students with another performance opportunity, one where they can relax and perform some exciting popular music on their instruments. Participating students can choose to play in the ensemble on secondary instruments (provided that they have prior experience), or to maintain “chops” on their *LWMB* instrument.

ATTENDANCE

Students who join the LWC Pep Band are expected to attend each rehearsal and every scheduled game in uniform (if applicable) and ON TIME. However, if a conflict arises, students should immediately notify Mr. Mroczek (due to instrumentation issues).

The scheduled pre-season rehearsals are incredibly important to our success during games. All members must attend these rehearsals. Please notify Mr. Mroczek if you cannot make a rehearsal.
